

# Yakima County Community Wildfire Protection Plan Draft Outline

SWCA Environmental Consultants- December 5<sup>th</sup> 2008

**List of Figures**  
**List of Tables**  
**List of Acronyms**  
**Executive Summary**

## **CHAPTER 1- INTRODUCTION**

- 1.0 Introduction
- 1.1 Overview of Community Wildfire Protection Plans (CWPP)
- 1.2 Goal of a Community Wildfire Protection Plan
- 1.3 Planning Process
- 1.4 Core Team
- 1.5 Project Boundary
- 1.6 Public Involvement
  - 1.6.1 Surveys

## **CHAPTER 2- BACKGROUND**

- 2.0 Background
- 2.1 Location and Geography
- 2.2 Population
- 2.3 History and Land Use
- 2.4 Washington Climate
- 2.5 Yakima County Climate
- 2.6 Topography
- 2.7 Vegetation and Land Cover
  - 2.7.1 Current Conditions
- 2.8 Historical Conditions
  - 2.8.1 Historical Conditions and Present Changes in Fire-adapted Ecosystems

## **CHAPTER 3- FIRE ENVIRONMENT**

- 3.0 Fire Environment
- 3.1 Wildland-Urban Interface
- 3.2 Fire History
  - 3.2.1 Past Fire Management Policies and Land Management Actions
  - 3.2.2 Historical Disturbance Regimes and Current Fire Conditions in the County
  - 3.2.3 Recent Fire Occurrence in the County
- 3.3 Future Challenges for Restoration Efforts
  - 3.3.1 Social
  - 3.3.2 Climate
- 3.4 Fire Regimes and Fire Regime Condition Classes
  - 3.4.1 Fire Regime (FR) Classifications

- 3.4.2 Fire Regime Condition Class (FRCC)
- 3.5 Firefighting Capabilities
- 3.6 Fire Management Policy
- 3.7 Evacuation Procedures
- 3.8 Federal Treatments
- 3.8.1 U.S. Forest Service Fuel Reduction Projects (IF AVAILABLE)

## **CHAPTER 4- RISK ASSESSMENT**

- 4.0 Risk Assessment
- 4.1 Purpose
- 4.2 Fire Behavior Model
  - 4.2.1 Overview
  - 4.2.2 Fire Behavior Model Components
  - 4.2.3 Fire Behavior Model Inputs
  - 4.2.4 Fire Behavior Model Outputs
- 4.3 Risk Assessment Model
  - 4.3.1 GIS Overlay Process
  - 4.3.2 Results
- 4.4. Community Values at Risk

## **CHAPTER 5- RECOMMENDATIONS AND ACTION ITEMS**

- 5.0 Recommendations and Action Items
- 5.1 Plans and Projects that Guide and Relate to the Yakima County CWPP
- 5.2 Public Education and Outreach
- 5.3 Improving Firefighting Capabilities
- 5.4 Reducing Structural Ignitability
  - 5.4.1 Action Items for Homeowners to Reduce Structural Ignitability
- 5.5 Hazardous Fuels Reduction
  - 5.5.1 Treatments on Private Land
  - 5.5.2 Treatments on Public Lands
  - 5.5.3 Treatment Types
- 5.6 Identify Timeline for Updating the YCCWPP
- 5.7 Implementation
- 5.8 Conclusion

## **CHAPTER 6- REFERENCES**

- 6.0 References

## **APPENDIXES**

- Appendix A Base Maps
- Appendix B Core Team List
- Appendix C Community Comments
- Appendix D Firefighting Resources
- Appendix E Communities at Risk List
- Appendix F Homeowner's Guide
